

## The 2016 schedule

Please remember this is a loosely organized event! Most activities happen until we get sick of them or just drop from exhaustion. The biggest event is just the opportunity to hang out and play with fiber uninterrupted for whatever amount of time you are there with other people who get it.

From Friday at 6ish pm until Noonish on Sunday: Make new friends or get reacquainted with old ones in the vending room or the hospitality suite -work on projects or just see what others are working on.

Bake sale to benefit <http://www.jensartfoundation.org/> please bring baked goods for the table! Packaged in single servings is nice but I will have baggies available for those who run out of time.

### Friday:

6:00 pm Fiber Bee: Bring a project to work on or just hang out and visit.  
Vending Opens

**Saturday:** Always the main day - if you can only come for a few hours make it Saturday!

In honor of the Olympics we will be having some Olympic style games through out the day: If you plan to participate be sure to bring a Size 8 circular needle - we will be doing the 25 yard dash, Team Spinning, Synchronized knitting, and any other games I come with between now and Saturday.

9 AM: Rebecca- spinning silk hankies  
10 AM: Ginger supported spindles/cotton on the wheel  
11 AM: Mara- chain ply and spinning fractal yarns  
12 PM-2 PM: LUNCH  
2 PM: Laura- garter tab cast on and more  
3 PM: Jody- ply on the fly  
4 PM: Auction

Following the auction it has become traditional for a large group to go dinner, if you don't hear the buzz, Rebecca at Sunshine Knit Designs usually knows the plan.

After dinner we will gather in the vendor room to discuss this year's business and work on our projects so more.

### Sunday:

All morning: Vendors may still be packing up but don't expect them to be able to serve us. Hanging out and trying to ignore the fact that we have to go back into the craziness that is our lives until next year.

9:30 Garage Sale - anyone can participate in the garage sale - just bring your unwanted stash and put it on a table.
